

In addition to monetary donations, Leonardo Academy also accepts in-kind donations, including goods, services and equipment.

Travel

Leonardo Academy travel includes outreach, such as presenting at conferences, sustainability standards committee meetings, etc. Please consider donating airline tickets, frequent flyer miles, hotel stays, or the use of your organization's private plane.

Land Management

Leonardo Academy's 145-acre Valley Ridge Preserve in Richland, Wisconsin is a research, demonstration, and education site for sustainable land management. The preserve is gradually being restored to native woodland, oak savanna and prairie vegetation as funding becomes available. Equipment needed for the ongoing restoration and maintenance is:

- Tractor or skid loader or the equivalent heavy machinery with a front bucket and backhoe
- Heavy duty trailer for hauling the tractor or skid loader
- Suitable vehicle to tow a trailer loaded with a tractor or skid loader
